## **Day Camp Policies**

**Mon- Fri 7:00am – 6:00pm**

- 1. All campers need to arrive between the hours of 7:00am and 9:00am in the morning. They should be picked up between the hours of 4:30pm and 6:00pm. If you need to drop off late or pick up early, please arrange it with the receptionist when you schedule your day. There will be no half-day charges.**
- 2. Please call ahead to reserve a spot for your dog. Calendars are provided if you would like to schedule for the entire month. If you have not called ahead to schedule your dog for a day that you bring him/her in, we may not have the space to keep him/her that day and you may not be able to leave your dog.**
- 3. In the instance of inclement weather your dog will participate in the activities you selected. There is no indoor space for playgroups.**
- 4. The dogs have a great time and can get pretty dirty, especially after a rain. Your dog will be cleaned-up a bit after his/her play session, but he/she will not receive a bath unless requested.**
- 5. Please feel free to bring a lunch for your dog if they are used to an afternoon meal. A small midday snack is provided for all campers. If you don't want for your dog to receive the snack, please let a daycamp staff member know.**
- 6. If your dog is scheduled for additional services (bath, nail trim, vet services, etc.), you should pick your dog up between 5:30pm and 6:00pm.**

**Please read the following. Your signature indicates that you agree to the terms of day camp every time your pet participates. All day campers must be current on all vaccinations as required by Companion Animal Hospital of Wakefield and be free of internal and external parasites. Any parasite found will be treated at hospital discretion at the cost of the owner. Although we will take every precaution to prevent injury during day camp, Companion Animal Hospital of Wakefield is not responsible for any injuries incurred to your pet while at day camp. Injuries will be cared for as is medically appropriate and owners of the injured dog will be responsible for payment. If your dog shows aggression to any other dog or to the camp counselor we may ask that your dog no longer participate in day camp.**
